Combating suicide and getting help to our Warriors is critical. Please note the attached letter from Amber, an injured soldier. How many tell signs of suicide are present? (She felt unloved, unappreciated, no hope, no purpose, a burden, and the pain). The Patriot Outreach's "*Coping Strategies*" CD made the difference. Sadly, not only are active duty military suicide are up, the Department of Veteran Affairs, said an average of **20 Veterans** commit suicide EVERY DAY.

Coping Strategies provides simple, effective, non-intrusive support, and was designed to bridge the gap between those who seek help and the silent majority who avoid the stigma. Patriot Outreach is a (501 (c)(3) tax-exempt) non-profit foundation. Over 300,000 CD's and downloads have been provided. Most notable bulk requests - 82nd Airborne Division (5,000), the 91st Division (3,000), and Ft Hood (3,500), Joint Task Force Headquarters (1,500), USO (1,000), and the VFW (8,000).
